WELCOME TO OUR NEW YEAR 7

Dear Year 7

My name is Miss Durnall and I am going to be your Form Tutor for 7V. I am a new geography teacher at STM and I am excited to meet you as you will be my first ever form group.

We will be on this journey together from September and as your form tutor it is my job to support you and make things as easy as possible. I will be the teacher you talk to if you have any worries or need some advice.

In September, I will meet with you every day in our form room. We will spend time organising ourselves for the day ahead and getting to know what is going on in school. Throughout the week we will say our daily prayer and complete different activities to improve our skills, such as reading and numeracy. I have no doubt we will be the best form at STM.

No matter how nervous you feel on your first day at school, remember it's completely normal and everyone else in the form group will be feeling the same way. If introducing yourself to other people seems scary, imagine how pleased you'd feel if someone came up to you and introduced themselves - you can be that person for someone else! You'll be amazed how quickly you'll settle in and start to enjoy all your different lessons. I know you will do amazing here, and I'm looking forward to see your progress throughout the year.

Enjoy your summer break and I look forward to meeting you in September.

See you soon.

Miss Durnall
